FUND INTRODUCTION

Fund Objective

To grow the investment through a combination of income and capital growth over the long term, whilst aiming to deliver an income equivalent of at least 125% of that of the benchmark. The benchmark of the fund is the MSCI All Country World Net Total Return Index (Eur).

Fund Strategy

- The investment manager follows an integrated, disciplined, and high-conviction investment process focusing on companies with cash generative businesses, strong balance sheets and that have a proven track record of growing their dividend over time.
- The fund is actively managed whereby the investment manager aims to achieve a return of up to 2% in excess of the benchmark.
- The fund invests in a concentrated pool of stocks holding between 37 and 45 companies and can invest up to 10% of the value of the fund in non-benchmark stocks.
- ESG considerations are built into the fund and the fund is compliant with Article 8 of SFDR.
